

Directions to Carymoor Environmental Education Centre
Dimmer Lane, Castle Cary, Somerset, BA7 7NR
<https://www.carymoor.org.uk/about>

Directions to Carymoor: Here is a [Google map](#) of the location.

The Centre is based next to the landfill site at Dimmer near Castle Cary and shares the same main gate for access. Coming off the B3153 on to Dimmer Lane, you'll see a sign for the Dimmer landfill site and Recycling Centre. Follow this road until you come to a farm on a left-hand bend and turn immediately right. You will see the signs here for the Dimmer site and for Carymoor. At the end of this road you will pass the recycling centre on your right and come to some traffic lights at the main gate of the landfill site.

Please queue up at the lights until you get a green light. Once the light is green, go through the main gates and turn left before the weighbridge (ignore the wooden building and car park by the weighbridge – this is the landfill site operator's offices).

Please note there is a 10mph speed limit on the site.

You'll see a big white sign on the bank with Carymoor on it and then green arrows with 'Carymoor' marked on them to direct you.

Keep going up over the hill, past a large compost operation on your left, and at the bottom of the hill you'll see the centre and the car park on the left hand side.

By Rail

The nearest station is Castle Cary - 2.2miles away, 7 minutes in a taxi.

By Bus

There is no bus route to the venue.
